INTRODUCTION

This policy updates the Craven PRS Policy issued 2009 and is based on the Sample Policy written by NYCC Safeguarding Managers. It was written in response to:

- i) Sections 175 and 157 of the Education Act 2002, implemented June 2004
- ii) 'Safeguarding Children and Safer Recruitment in Education' issued by DfES 2007

It is in line with the above and

- the North Yorkshire Safeguarding Children Board Child Protection Procedures www.safeguardingchildren.co.uk;
- "Working Together To Safeguard Children" 2010;
- "Dealing with Allegations of Abuse against Teachers & other Staff" DfE July 2011;
- 'What To Do If You Are Worried A Child is Being Abused' 2006;
- Recommendations from national and local Serious Case Reviews

Early Years' Foundation Stage:

- School complies with the "Early Years' Foundation Stage Section 3 – The Safeguarding And Welfare Requirements" September 2012
- Where the Early Years' provision is registered with OfSTED, the school and registered provider comply with EYFS Section 3

This policy applies to all adults, including volunteers, working in or on behalf of the school.

'Everyone in the education service shares an objective to help keep children and young people safe by contributing to:

- Providing a safe environment for children and young people to learn in education settings; and
- Identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in the education setting'

Safeguarding Children and Safer Recruitment in Education DfES 2007

SCHOOL COMMITMENT

The Designated Senior Person for Child Protection is Dale Hannah and the person who deputises in his absence is David Penny.

Craven PRS is committed to Safeguarding and Promoting the Welfare of all of its pupils. Each pupil's welfare is of paramount importance. We recognise that some children *may* be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self worth and to view the world in a positive way. Whilst at school, their behaviour may be challenging. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all of our pupils.

Section 1

PROVIDING A SAFE AND SUPPORTIVE ENVIRONMENT

1. Safer Recruitment and Selection

Craven PRS pays full regard to DfES guidance 'Safeguarding Children and Safer Recruitment in Education' Jan 2007 and the Protection of Freedoms Act 2012. We ensure that all appropriate measures are applied in relation to everyone who works in the school who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors. Safer recruitment practice includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and, where appropriate, undertaking ISA Children's List and Criminal Records Bureau checks.

All NYCC school staff are made aware that they are required to notify the line manager of any convictions or cautions during employment with the Council or receive a Penalty Notice for Damage or Penalty Notice for Disorder. For those who drive on business at any point during their employment (Authority's vehicle or own vehicle), this includes all motoring offences dealt with through the courts and penalty points on driving licences - whether awarded by a court or through fixed penalty notices.

The school has regard to the principles of Value Based Interviewing www.nspcc.org.uk and has full regard to DfES guidance 'Safeguarding Children and Safer Recruitment in Education' Jan 2007

Statutory changes, underpinned by regulations, are that:

- a CRB Enhanced Disclosure is obtained for **all** new paid appointments to the school's workforce,
- a CRB Enhanced Disclosure is obtained for volunteers further to a risk assessment considering the regularity, frequency, duration and nature of contact with children and the level of supervision of the volunteer by another person engaging in regulated activity (see pg. 49 of above guidance)
- schools will ensure that any contracted staff are CRB checked where appropriate (see p.53 of above guidance)
- schools must keep a single central record detailing a range of checks carried out on their staff
- all new appointments to the school workforce who have lived outside the UK are subject to additional checks as appropriate
- schools must satisfy themselves that supply staff have undergone the necessary checks
- identity checks must be carried out on all appointments to the school workforce before the appointment is made
- since 1 January 2010 it has been mandatory that any appointments of maintained school staff are made by a recruitment panel that includes at least one person who has been trained in safer recruitment. Ofsted will request evidence as part of their inspections that each recruitment panel meets this requirement.

Dale Hannah (Headteacher) has undertaken the DfE online training in Safer Recruitment for schools available at:

<http://www.education.gov.uk/childrenandyoungpeople/safeguardingchildren/b00203550/safer-recruitment-training/online>

2. Safer Working Practice

The school has adopted and made all staff & volunteers aware of the DCSF "Guidance for Safer Working Practice for Adults who work with Children and Young People in Education Settings to ensure that staff are safe and aware of behaviours which should be avoided.

Safer working practice ensures that pupils are safe and that all staff:

- are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions;
- work in an open and transparent way;
- discuss and/or take advice from school management over any incident which may give rise to concern;
- record any incidents or decisions made;

- apply the same professional standards regardless of gender or sexuality;
- are aware that breaches of the law and other professional guidelines could result in criminal or disciplinary action being taken against them;

3. Safeguarding Information for pupils/Curriculum Links

Craven PRS is committed to ensuring that pupils are aware of behaviour towards them that is not acceptable and how they can keep themselves safe. All pupils know that we have a senior member of staff with responsibility for child protection and know who this is. We inform pupils of whom they might talk to, both in and out of school, their right to be listened to and heard and what steps can be taken to protect them from harm.

Curriculum materials are used to help pupils learn how to keep safe in PSHCE, Citizenship and SEAL sessions. Other curriculum resources for use with pupils are available at:

www.Fronter.com/northyorks SMSC, Health and Wellbeing and E-safety NYCC Fronter room

ESafety Resources for pupils have been made available in the curriculum by Mr Gary Crompton and the Local Community Police have also arranged workshops and assemblies to address this matter within the curriculum. Parents have also been offered this support.

The following Information is made available to pupils:

Family Lives: 08088002222; Young Minds: 08088025544; Childline: 080011111

School's arrangements for consulting with and listening to pupils are:

- every student has a Keyworker
- Keyworker has strong and positive relationships with students and Parents/Carers (where a child would prefer to speak to another person there is flexibility within the team to facilitate this)
- There are regular 'Pupil Voice' activities which enable students to voice concerns and raise issues
- At the end of every day there is a full staff briefing where any concerns are directed to the most appropriate personnel in order to support these vulnerable young people

We make pupils aware of these arrangements by:

- Informing both them and their parents are the initial Induction Meeting and remind them throughout their time with us

4. Partnership with Parents

Craven PRS shares a purpose with parents to keep children safe from harm and to have their

welfare promoted.

We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission or it is necessary to do so in order to protect a child.

School will share with parents any concerns we may have about their child unless to do so may place a child at risk of harm (see Section 3: 3 Action by Designated Senior Person)
We encourage parents to discuss any concerns they may have with the Keyworker.
We make parents aware of our policy via personalised letters and our website and parents are made aware that they can view this policy on request.

5. Partnerships with others

Craven PRS recognises that it is essential to establish positive and effective working relationships with other agencies and we have positive and proactive relationships with: LA, Social Care, Police, Health, Youth Justice Service, District Council, and Housing. We always work closely with those schools within our Collaborative.

6. School Training and Staff Induction

7. Supervision, Support and Advice for Staff

At Craven PRS, supervision provides support, coaching and training for staff and promotes the interests of children and fosters a culture of mutual support, teamwork and continuous improvement which encourages the confidential discussion of sensitive issues.

Supervision provides opportunities for staff to:

- discuss any issues – particularly concerning children's development or well-being;
- identify solutions to address issues as they arise; and
- receive coaching to improve their personal effectiveness.

Regular staff appraisals are carried out to identify any training needs, and secure opportunities for continued professional development for staff.

Staff will be supported and supervised by the Headteacher (C.P. designate) and Senior Leadership Team. The designated senior person will be supported by the Local Authority – **Karen Lewis** or any duty officer from the Safeguarding Team.

Child Protection advice and support is available from the Educational Social Work Service

Section 2

IDENTIFYING CHILDREN AND YOUNG PEOPLE WHO MAY BE SUFFERING SIGNIFICANT HARM

Teachers and other adults in school are well placed to observe any physical, emotional or behavioural signs which indicate that a child may be suffering significant harm. The relationships between staff, pupils, parents and the public which foster respect, confidence and trust can lead to disclosures of abuse, and/or school staff being alerted to concerns.

Definitions

As in the Children Acts 1989 and 2004, a **child** is anyone who has not yet reached his/her 18th birthday.

Abuse and neglect are forms of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger for example, via the internet. They may be abused by an adult or adults, or another child or children.

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say and how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- Protect a child from physical and emotional harm or danger
- Ensure adequate supervision (including the use of inadequate care-givers)
- Ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Section 3

TAKING ACTION TO ENSURE THAT CHILDREN ARE SAFE

AT SCHOOL AND AT HOME

All staff follow the NYSCB Child Protection Procedures and Guidance www.safeguardingchildren.co.uk which are consistent with 'Working Together to Safeguard Children' and 'What To Do If You Are Worried A Child is Being Abused'

It is **not** the responsibility of the school staff to investigate or determine the truth of any disclosure or allegation of abuse or neglect. All staff, however, have a duty to recognise concerns and maintain an open mind. Accordingly all concerns indicating possible abuse or neglect will be recorded and discussed with the designated senior person with responsibility for child protection (or in his absence with the person who deputises) prior to any discussion with parents.

1. Staff must immediately report:

- any suspicion that a child is injured, marked, or bruised in a way which is not readily attributable to the normal knocks or scrapes received in play
- any explanation given which appears inconsistent or suspicious
- any behaviours which give rise to suspicions that a child may have suffered harm (e.g. significant changes in behaviour, worrying drawings or play)
- any concerns that a child may be suffering from inadequate care, ill treatment, or emotional maltreatment
- any concerns that a child is presenting signs or symptoms of abuse or neglect
- any significant changes in a child's presentation, including non-attendance
- any hint or disclosure of abuse or neglect received from the child, or from any other person, including disclosures of abuse or neglect perpetrated by adults outside of the family or by other children or young people
- any concerns regarding person(s) who may pose a risk to children (e.g. staff in school or person living in a household with children present) including inappropriate behaviour e.g. inappropriate sexual comments; excessive one-to-one attention beyond the requirements of their usual role and responsibilities; or inappropriate sharing of images.

2. Responding to Disclosure

Disclosures or information may be received from pupils, parents or other members of the public. School recognises that those who disclose such information may do so with difficulty, having chosen carefully to whom they will speak. Accordingly all staff will handle disclosures with sensitivity and ensure where students have difficulty in expressing themselves the support of the SENCO will be made available.

Such information cannot remain confidential and staff will immediately communicate what they have been told to the designated person and make a contemporaneous record.

Principles

Staff will not investigate but will, wherever possible, elicit enough information to pass on to the designated senior person in order that he can make an informed decision of what to do next.

Staff will:

- listen to and take seriously any disclosure or information that a child may be at risk of harm
- try to ensure that the person disclosing does not have to speak to another member of school staff
- clarify the information
- try to keep questions to a minimum and of an 'open' nature e.g. 'Can you tell me what happened ?' rather than 'Did x hit you?'
- try not to show signs of shock, horror or surprise
- not express feelings or judgements regarding any person alleged to have harmed the child
- explain sensitively to the person that they have a responsibility to refer the information to the senior designated person
- reassure and support the person as far as possible
- explain that only those who 'need to know' will be told
- explain what will happen next and that the person will be involved as appropriate and be informed of what action is to be taken

2. Action by the Designated Senior Person (or Deputy DSP/other senior person in their absence)

The following actions will be taken where there are concerns about significant harm to any child including when the child is already open to CSC, (e.g. Looked After Child)

Following any information raising concern, the designated senior person will consider:

- any urgent medical needs of the child
- whether to make an enquiry to the Central Database **01609 774298** to establish if the child is or has been subject of a Child Protection Plan (formerly known as Child Protection Register)
- discussing the matter with other agencies involved with the family
- consulting with appropriate persons e.g. ESW service, Social Care
- the child's wishes and any fears or concerns s/he may have

Then decide:

- wherever possible, to talk to parents, unless to do so may place a child at risk of significant harm, impede any police investigation and/or place the member of staff or others at risk
- whether to make a child protection referral to social care because a child is suffering or is likely to suffer significant harm and if this needs to be undertaken immediately
OR
- not to make a referral at this stage
- if further monitoring is necessary
- if it would be appropriate to undertake an assessment (e.g. CAF) and/or make a referral for other services

All information and actions taken, including the reasons for any decisions made, will be fully documented. All referrals to social care will be accompanied by a standard referral form.

4. Action following a child protection referral

It is the responsibility of all staff to safeguard children. It is the role of the DSP to attend multi-agency meetings and provide reports for these. Other staff in school, however, may be asked to contribute.

The designated senior person will:

- make regular contact with Children's Social Care
- contribute to the Strategy Discussion and all assessments
- provide a report for, attend and contribute to any subsequent Child Protection Conference
- if the child or children has a Child Protection Plan (formerly placed on the Child Protection Register), contribute to the Child Protection Plan and attend Core Group Meetings and Review Child Protection Conferences
- where possible, share all reports with parents prior to meetings
- where in disagreement with a decision made e.g. not to apply Child Protection Procedures or not to convene a Child Protection Conference, follow the NYSCB procedures 6.16
- where there is significant information in respect of a child subject to a Child Protection Plan, **immediately** inform the key worker or his/her manager in Children's Social Care

e.g. any significant changes or concerns, departures from the CP plan, child moves/goes missing,/is removed from school or fails to attend school

5. Recording, Monitoring & Evaluating Arrangements

School will record:

- Information about the child : name (aka) address, d.o.b., those with parental responsibility, primary carers, emergency contacts, names of persons authorised to collect from school, any court orders, if a child is or has been subject to a CP Plan (been on the CP Register)
- Key contacts in other agencies including GP details
- Any disclosures/accounts from child or others, including parents (and keep original notes)
- Significant contacts with carers/other agencies/professionals
- All concerns, discussions, decisions, agreements made and actions taken (dated, timed and signed, to include the name and agency/title of the person responsible/ spoken to) and arrangements for monitoring/review

All records should be objective and include:

- Statements, facts and observable things (what was seen/heard)
- Diagram indicating position, size and colour of any injuries (not photograph)
- Words child uses, (not translated into 'proper' words)
- Non-verbal behaviours

All C.P. documents will be retained in a 'Child Protection' file, separate from the child's main file. This will be locked away and only accessible to the Headteacher and senior designated person. These records will be copied and transferred to any school or setting the child moves to, clearly marked 'Child Protection, Confidential, for attention of Designated Senior Person Child Protection.' Along with the original CP file, a record will be kept of when & to which establishment the copy CP file was sent. **We will retain all original copies of C.P. files until the child's 25th birthday.**

When sharing confidential information about a member of staff or pupil, the school has regard to its responsibilities under the Data Protection Act (DPA) 1998 and where relevant, the Education (Pupil Information)(England) Regulations 2005 and the Freedom of Information Act 2000.

<http://www.education.gov.uk/schools/pupilsupport/parents/keepinginformed/a0014921/pupil-reports-and-records>

If the child goes missing from education or is removed from roll to be educated at home then any Child Protection file should be copied and the copy sent to the Principal Education Social Worker, County Hall, Northallerton, DL7 8AE.

School will monitor:

Any cause for concern including where there could be serious child welfare concerns:

- Injuries/marks
- Attendance
- Changes e.g. mood/ academic functioning
- Relationships
- Language

- Behaviour
- Demeanour and appearance
- Statements, comments
- Medicals
- Stories, 'news', drawings
- Response to P.E./Sport
- Family circumstances
- Parental behaviour/ care of child

The DSP will review all monitoring arrangements in the timescale and manner determined by circumstances, recorded and clearly understood by all concerned

Evaluation of this policy and its associated procedures will be through the Designated Governor, Claire Middleton and the LADO, Rosemary Cannell. Any concerns or serious issues/cases will automatically be forwarded for monitoring and evaluation purposes.

6. Supporting the Child and Partnership with Parents

- School recognises that the child's welfare is paramount, however good child protection practice and outcome relies on a positive, open and honest working partnership with parents
- Whilst we may, on occasion, need to make referrals without consultation with parents, we will make every effort to maintain a positive and supportive working relationship with them whilst fulfilling our duties to protect any child
- We will provide a secure, caring, supportive and protective relationship for the child
- Children will be given a proper explanation (appropriate to age & understanding) of what action is being taken on their behalf and why
- We will endeavour always to preserve the privacy, dignity and right to confidentiality of the child and parents. The Designated Senior Person will determine which members of staff "need to know" personal information and what they "need to know" for the purpose of supporting and protecting the child

Section 4

Allegations regarding person(s) working in or on behalf of school /Early Years' provision (including volunteers)

Where an allegation is made against any person working in or on behalf of the school, that he or she has:

- a. behaved in a way that has harmed a child or may have harmed a child
- b. possibly committed a criminal offence against or related to a child or
- c. behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children

school will apply the same principles as in the rest of this document.

We will always follow the NYSCB procedures www.safeguardingchildren.co.uk Section 10 “Managing Allegations against Staff & Volunteers” and the NYCC Guidance <http://cyps.northyorks.gov.uk/index.aspx?articleid=13713>

Detailed and accurate records will be made to include decisions, actions taken, and reasons for these. Records of all incidents and concerns about staff will be kept in order that historical patterns can be detected. All records will be retained securely with Rosemary Cannell, the LADO and locked in the Headteacher’s CP files.

Whilst we acknowledge such allegations, (as all others), may be false, malicious or displaced, we also acknowledge they may be founded. It is, therefore, essential that all allegations are investigated properly and in line with agreed procedures.

Initial Action

- The person who has received an allegation or witnessed an event will immediately inform the Headteacher and make a record
- **In the event that an allegation is made against the Headteacher the matter will be reported to the Chair of Governors who will proceed as the ‘Headteacher’**
- The Headteacher will take steps, where necessary, to secure the immediate safety of children and any urgent medical needs
- The member of staff will not be approached at this stage unless it is necessary to address the **immediate** safety of children
- The Headteacher may need to clarify any information regarding the allegation, however no person will be formally interviewed or asked to write a formal statement at this stage
- The Headteacher will consult with Local Authority Designated Officer LADO (see Contacts List) in order to determine if it is appropriate for the allegation to be dealt with by school or if there needs to be a referral to social care and/or the police for investigation
- Consideration will be given throughout to the support and information needs of pupils, parents and staff
- The Headteacher will inform the Chair of Governors of any allegation.

Where the Early Years’ provider is registered with OfSTED, the provider must inform Ofsted of any allegations of serious harm or abuse by any person living, working, or looking after children at the premises (whether the allegations relate to harm or abuse committed on the premises or elsewhere). The providers must also notify Ofsted of the action taken in respect of the allegations. These notifications must be made as soon as is reasonably practicable, but at the latest within 14 days of the allegations being made.
