Legislative Background

In addition to this policy, Headteachers, governing bodies, local authorities and independent appeal panels should have regard to DfE Statutory Guidance: Exclusion from maintained schools, Academies and pupil referral units in England: Statutory guidance for those with legal responsibilities in relation to exclusion – September 2017.

Types of Suspension/Exclusion

- Fixed-Term Suspensions (FTS) will be for a fixed number of school days. An individual fixed period suspension should be for the shortest time necessary, bearing in mind that suspensions of more than a day or two make it more difficult for the pupil to reintegrate back into the school afterwards. They must not exceed 45 school days in an academic year as either a single suspension or a number of shorter suspensions added together. If a pupil receives more than 15 days of fixed-term suspension in a term, governors must meet to review the suspension. In exceptional cases, a further fixed-term suspension or a permanent exclusion can be issued to follow the initial FTS. If this happens, the headteacher must write to the parent/carer to give reasons for the change.

- Permanent Exclusions (PEX) are issued when the headteacher believes a pupil should never return to the school because they have seriously or persistently breached the school's behaviour policy and that allowing them to remain in school would seriously harm their education or welfare (or that of others in the school).

This type of exclusion must be reviewed at a meeting by a panel of governors. The pupil and parent/carer will have the opportunity to put their case at the meeting, can be represented by someone who can speak on their behalf and can be supported by a friend, if they wish. If governors agree with the Headteacher's decision to permanently exclude the pupil, pupil and parent/carer have a legal right to a further opportunity to challenge this decision via an Independent Review.

Suspension/Exclusion as a Last Resort

A pupil will be suspended/excluded from school only as a last resort and as a result of serious and/or persistent breaches of the school behaviour policy and where allowing them to remain in school would be of serious detriment to the education or welfare of the pupil or others in school.

Other options should be investigated before resorting to a suspension/exclusion. The NYC Ladder of Intervention provides structured, step-by-step guidance for schools to support individual pupils who have social and emotional needs manifesting in challenging behaviour that could lead to a suspension/exclusion. The guidance details a graduated response to ensure early help is in place to support children and young people with social, emotional and mental health needs, including those that are at risk of suspension/exclusion.

Before taking the decision to suspend/exclude, the Headteacher should consider the following:

- What whole-school approaches and provision are in place to support this pupil?

e.g. whole school behaviour policy and inclusive practice to support behaviour for learning, quality first

teaching, etc. Are school policies inclusive or do they discriminate against particular pupils with specific needs?

- What reasonable adjustment measures or strategies has the school put in place to support this specific pupil?

e.g. behaviour plan, specific learning support, mental health and wellbeing advice, etc. Have support and intervention been put in place and has enough time been allowed for the intervention or support to take effect?

- If there have been multiple, repeat suspensions/exclusions for similar reasons (e.g. abusive behaviour, drug use, etc.) what has been put in place to successfully address the causes? Where the school is repeatedly suspending/excluding for the same reason, this could indicate unmet needs.
- What support has been sought from outside agencies, including the Local Authority?

Through its universal and targeted provision, the LA provides access to a range of services. Has school accessed any of the following?

- SEND guidance (for pupils with Special Educational Needs or a Disability)
- Ladder of Intervention
- SEND Assessment (leading to an Education Health and Care Plan)
- Local Behaviour Collaborative or the Pupil Referral Service (PRS)
- Referral to the Locality Hubs to support additional educational and/or social, emotional and mental health needs
- Advice and support from an Educational Psychologist, the Early Help Service, Child and Adolescent Mental Health Service (CAMHS), Youth Justice Service or Children's Social Care
- An Early Help (EH) Assessment and Action Plan

Grounds for Exclusion

In line with paragraph 16 of the statutory guidance, before excluding a pupil permanently, the Headteacher must be convinced that there is sufficient evidence that the pupil has committed a disciplinary offence and that allowing the pupil to remain in school would seriously harm the education or welfare of that pupil or others in the school.

Protocol – Investigation

Before deciding whether to suspend/exclude a pupil the Headteacher should

- make sure that a thorough investigation has been carried out, consulting others if necessary;
- give the pupil a chance to say what happened;
- think carefully about the evidence available;
- ensure that the suspension/exclusion is for the shortest time necessary;
- take into account the school's Behaviour and Equality Policies and, if appropriate, the Race Relations Act and Disability Discrimination Act;
- check whether bullying or racial or sexual harassment (or any other coercion) led to their actions

Protocol – Decision

The decision to suspend/exclude (either for a fixed-term or permanently) can only be taken by the Headteacher.

Upon coming to the decision to suspend/exclude, the school must inform the parent/carer by telephone as soon as possible and follow this with a formal letter. To ensure statutory returns can be made to the DfE and so that alternative education can be put in place (in the event of a permanent exclusion), the school should also inform the Local Authority. If a pupil is dual registered with another school communication must be made and relevant paperwork should be shared.

Protocol – Re integration

Following suspension, or cancelled suspension or exclusion, the school will put in place a strategy to help the pupil reintegrate successfully into school life and full-time education.

Where necessary, the school will work with third-party organisations to identify whether the pupil has any unmet special educational and/or health needs.

The following measures may be implemented, as part of the strategy, to ensure a successful reintegration into school life for the pupil:

- Maintaining regular contact during the suspension and welcoming the pupil back to school
- Daily contact in school with a designated professional
- Regular reviews with the pupil and parents / carers to assess progress being made and raise and address any concerns at an early stage
- Informing the pupil, parents/carers and staff of potential external support

Where possible part-time timetables will not be used as a tool to manage behaviour and, if used, will be put in place for the minimum time necessary and reviewed regularly.

Any strategies will be regularly reviewed and adapted where necessary throughout the reintegration process in collaboration with the pupil, parents/carers and other relevant parties.

Protocol – Re integration

The school will clearly explain the reintegration strategy to the pupil in a reintegration meeting before or on the pupil's return to school. During the meeting the school will communicate to the pupil that they are getting a fresh start and that they are a valued member of the school community.

The pupil, parents/carers, a member of senior staff, and any other relevant staff will be invited to attend the meeting. The meeting can proceed without the parents/carers in the event that they cannot or do not attend.

The school expects all returning pupils and their parents/carers to attend their reintegration meeting, but pupils who do not attend will not be prevented from returning to the classroom.

Local Authority Support

To ensure schools comply with statutory guidance issued by the DfE, the Local Authority recommends use of forms, templates and model letters developed by the NYC Inclusive Education Service.
